

Make a Paper Butterfly

1. Fold a bright piece of paper in half.
2. Draw one big wing on the folded side.
3. Cut along your line, then open it up.
4. Add dots and a happy face. Now it can flutter!

A grown-up helps with:

1. Help with the cutting, and pick safe, blunt scissors.

What colors will YOUR butterfly wear?

- Grown-ups handle the scissors
- blunt, kid-safe ones
- and clean up small bits.
Ages 3-7 - made by a teacher, adapt freely.
