

Backyard Butterfly Hunt

1. Find one flower where a butterfly might land.
2. Look for something green, something yellow, and something soft.
3. Watch a bug walk and count its legs.
4. Draw your favorite thing you found today.

What color did you see the most outside today?

- A grown-up comes along
- we look at critters gently and let them go (catch and release is kindness)
- stay where your grown-up can see you.
Ages 3-7 - a grown-up comes along.
